

Border County Notes

Friday, July 22, 1910

CARROLL.

Mrs. Sallie A. Busby, aged 80 years died at her home in Carrollton Monday afternoon. She leaves three children to mourn her death.

John R. Auli, 77 years old, died at his home in Norborne Friday July 10. He moved to Carroll county about 1870 and has lived there ever since, and was well known and respected.

The steamer Saturn, bound up the river from St. Louis, landed a mile north of DeWitt about 7 o'clock Sunday afternoon to make some repairs to her machinery and did not get away until Tuesday. The Saturn has just been purchased and repaired by Kansas City parties and upon her arrival at that place will be put in the excursion business in place of the Uncle Sam which sank at that place a number of weeks ago.—Carroll Farmer's Herald.

John A. Dixon, received a number of cases of eggs from the country Saturday, and while sorting and packing one case was surprised to find eight young chickens which had just broken their shells, and were chirping lustily. He took them out of the case and brought them up town to show to his friends. The chicks were as lively as any we have seen this year. Evidently the egg case is about as good an incubator as you will need.—Norborne Democrat.

W. T. Heathman came in Monday evening to discuss with our citizens the contemplated aeroplane flight from St. Louis to Kansas City. As Carrollton is one of the half dozen stopping places on the route, Mr. Heathman came to see about our city guaranteeing her part of the funds to defray the expenses and premiums offered to the aviators. The amount asked of our city was pretty steep, but a bunch of our business men went out to raise the amount asked, and if everybody helps the sum will be subscribed. The date set for the flight is about September 1, and the schedule between St. Louis and Kansas City is 72 hours, but as the flying machines will only travel during the day, the actual time between the two cities is 36 hours. Carrollton will be the only stopping place between Brunswick and Lexington. The committee consisting of H. H. Wilcoxson, H. C. Brown, W. E. Hudson and W. R. Painter, after working Tuesday thought they had enough money subscribed to assure Mr. Heathman that the \$500 wanted for the aeroplane stopping in this city would be on hand when the airship reached our city. The committee needs a little more to help out on the boosting, so a big crowd will be in Carrollton. The date has not been officially determined and as soon as the dates are fixed notice will be given. The flight will be either about September 1 or October 1. This is going to be a great day for Carrollton and our friends everywhere will be invited to come and see the first aeroplane that crosses Missouri.—Carrollton Democrat.

MARRIAGES.

F. C. Wilks of Stiger, Ill., and Miss Lydia Stratton of Norborne.

Dr. Edward J. Lenzer of Webster Grove and Miss Clara F. Cleary of Norborne.

Christopher M. Shupe of Mendon and Mrs. Mamie Clem of Hale.

HOWARD.

Harrison Grishaw and Mrs. Martha W. Brown, both residents of Glasgow were married at the home of the bride Sunday.

Judge Benton P. Jackson, aged 74 years was found dead in the feed lot. It is thought that he suffered a stroke of apoplexy.

Mrs. Tom Dillon of Franklin, was run over and killed by an M. K. & T. train Friday. She leaves a husband and two children to mourn her death.

Last Saturday night some man stepped from a moving train at the west end of the C. & A. bridge, and fell about 30 or 35 feet to the ground lighting on his feet. He was bruised up considerably but did not break any bones.—Glasgow Graphic.

A genuine love letter, picked up in the street, closes with these words: "Dearest Frank—I have swallowed the postage stamp that was on your last letter, because I knew your lips had touched it. And oh, I was so happy when I swallowed it. Goodbye, Frank dear. Put two stamps on your next letter.—Fayette Democrat-Leader.

Colonel Robert P. Williams died at his home in Fayette Monday morning, July 11. Col. Williams was born in Howard county in 1841 and lived in that county all his life. He was a prominent merchant and was active in political work in Howard county all his life. He was also elected state treasurer some years ago.

Miss Stella Price of Glasgow has gained recognition from the New York Musical Observer, for some compositions for the violin which she submitted recently. "Memories of the South," "A Valse Petite" and a "Romance" are the names of her pieces and the Observer, says that they show melodious and intensive gifts of an unusual order.

LIVINGSTON

M. R. Chapin, a soft drink parlor proprietor of Chillicothe was arrested Saturday charged with selling "near beer."

Mrs. Bruce Drake of Kansas City, formerly of Chillicothe, died Sunday of pneumonia. Two children survive her.

Euphemius Kirtley of Chillicothe, 75 years old, died Wednesday and was buried at Mooreville. His wife and four children survive him.

Geln, 18-year-old son of Mrs. Lee Rutherford of Chillicothe, was badly burned by the premature explosion of powder in a gas pipe at the home of a friend at Kansas City last week. His eyes were badly injured.

"Pose" Tolson, a negro porter at a Chillicothe barber shop was wounded in the back of his neck by a stray bullet from a carnival shooting gallery Wednesday. Information will be filed against the proprietor of the gallery as there is no protection for the public against reckless firing.

Miss Anna Linville was injured Monday in a peculiar manner. The young woman was carrying a 10 pound piece of ice into the house when it slipped from her hand and fell on her right foot, fracturing the bone so badly as to require the attention of a physician.

Robert Beley, 20-year-old son of Louis Beley of Chillicothe, was shot and killed accidentally by Clifton Hutchison Wednesday evening. It was another case of "the gun that was not loaded" being fired. The two boys were good friends and were returning from a hunting expedition for some shells. Hutchison jokingly pointed the rifle at Beley and pulled the trigger. There was a report and Beley fell exclaiming, "You have killed me."

As a result of accidents Monday two persons living in Braymer may each lose the sight of an eye. Both were taken to St. Mary's hospital at Chillicothe. Oscar Foley, son of J. E. Foley, a merchant of Braymer, was experimenting Monday with a hammer and some 22-short cartridges. One of the cartridges exploded and the ball struck the boy in the left eye badly lacerating the ball. John Gall, a farmer, was cutting hedge on his farm near Braymer. A thorn perforated the ball of his left eye. It is probable the injured optic will have to be removed.

Violet and Violet Osborn, twins, who were recently released from the Industrial Home for Girls this city and returned to their home in Kansas City, are in trouble. They were arrested Tuesday evening in a rooming house in company with two boys and were turned over to Judge Porterfield of the Kansas City Juvenile court. The girls when taken before the judge, admitted they wanted to marry the boys, but Edward Arnold and William Volmer, the boys did not have enough money to pay for the license and the preacher for performing the ceremony. Since the girls were released from the Home they have been wards of Mrs. Kate Pierson in Kansas City. A week ago they ran away from their home and their mother asked the officers to take them in charge. It is probable they will be returned to the home by Judge Porterfield.—Chillicothe Constitution.

MARRIAGES.

Oliver Hicks and Miss Mary Noah. Both of Livingston county.

LINN.

Mr. and Mrs. Wm. McConnell of Marceline celebrated their 30th wedding anniversary Friday.

Brookfield has had an addition of several new residences recently, and more are being contemplated.

Friday afternoon the Marceline baseball team suffered their first defeat of the season, score 6 to 1. The Brookfield club was responsible for their downfall.

The Brookfield and Browning baseball teams played two games at the fairgrounds Wednesday

AFTER FOUR YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends."—Mrs. W. S. Ford, 2207 W. Franklin St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

and Thursday. Scores 6 to 3 and 9 to 6, respectively, both in favor of Brookfield.

Thomas Alfred Smully, a well-known citizen of Marceline died at his home Tuesday. He was justice of the peace at the time of his death and he had held other prominent official positions in Linn county.

E. M. Todd a student in the school of journalism of the University of Missouri was in Linn county last week gathering data on Linn county for a write-up which will be published in the St. Louis Star and afterwards compiled in a book.

The annual Linn county fair is to be held at Brookfield, August 16 to 19, inclusive. Over 300 fast steppers are entered for the meeting. The purse offered in the 2:27 trot is \$1,000. Liberal premiums are also offered for hogs, cattle, sheep, mules and horses in various classes.

The 93rd birthday of Mrs. Mary Fosher was celebrated Wednesday, July 13 at Linn county, 10 miles north of Brookfield. Mrs. Fosher was born in Shelby county, Kentucky and came to Linn county in 1849. She is the widow of Henry Fosher and lives with her children on the old Fosher farm consisting now of 400 acres.

It is estimated that four inches of water fell Thursday night between 6 and 11 o'clock in Marceline. The rain was accompanied by a strong wind and a severe electrical storm. The residence of C. Judd was struck by lightning about 9 o'clock. The bolt run down the flue and totally demolished it, the family were in the home at the time and all were badly shocked. The steeple of the old M. E. church, South was struck and totally demolished.

MACON.

Mrs. Ida M. Lawrence died Sunday night while on the train near Colby, Kan. She was buried at Macon Wednesday morning.

The Signals of Moberly defeated the Macon baseball team Sunday afternoon, July 10, by a score of 3 to 0. The game was played at Macon.

The 22nd annual camp meeting of the Holiness people will start at Moberly August 5. Herebefore this meeting has been held at College Mound. Various reasons are assigned for its removal.

Macon now has a daily newspaper. It was started Monday by Thos. Cunningham, who is connected with the Logan theatre. The paper is a small affair but it contains quite a lot of personal items and a good of advertising. It is distributed free.

Two games of baseball out of three were taken by Macon from Sedalia last week. The first game, played Monday, was a clean and fast one and went to Sedalia by a score of 2 to 0. Macon won Tuesday's and Wednesday's games by scores of 6 to 3 and 10 to 2. All the games were played at Macon.

Gustavus Vestal, who was convicted of murder in the second degree for the killing of Mike McGrath, was brought before Circuit Judge Shelton Tuesday morning. The judge had carefully read the motion for a new trial. It was not argued by the counsel; just formally presented and overruled. Then the court pronounced a sentence of 11 years in the penitentiary. Vestal was then taken to jail by Sheriff Hall to await transportation. "I am satisfied my attorneys did everything possible for me," said Vestal to the Times-Democrat. I have no fault to find with them, nor with any of the officers of the court. I had hoped I would come clear, of course. Still this has shown me that I have devoted friends and I intend in recognition of their loyalty to prove to them that I can be a man. Whatever is ahead of me I shall take it without complaint,

and should I have to go down there I intend to make a good record and come back and begin life anew. I hope my friends will not forget me and I certainly will ever remember them. That is all I care to say now." Vestal is 28 years old. He was a mule driver in mine 61. It is not known to a certainty as yet whether his case will be appealed or not. In the motion for a new trial were 35 assignments of error.—Macon Times-Democrat.

MARRIAGES.

Richard L. Williams of Bevier and Mrs. M. B. Landerson of Baker City, Ore.

RANDOLPH.

Clint F. Leedom of Moberly has bought residence property from A. W. Telman.

The Moberly Signals won the baseball game Sunday from Macon by a score of 3 to 0.

Miss Ella Phipps, formerly of Moberly, died at St. Louis Thursday.

Rice Davis col., 29 years old, died of consumption Monday at the home of his mother, Sallie Davis of Higbee.

By a score of 13 to 7 the Y. M. C. A. baseball team defeated the Christian church nine at Moberly Tuesday.

The Northern Central Coal Co., will open a new mine near Huntsville near the site of old No. 3 mine.

The residence of Shelton Cook of Higbee burned Saturday morning. The contents of three rooms was saved. An insurance of \$1,350 was carried.

A large barn, near Clifton Hill, belonging to J. F. Rodgers was struck by lightning Saturday and burned down. The loss was \$1,500 and the insurance amounted to \$800.

Dr. F. O. Kuntz, house surgeon at the Wabash hospital, at Moberly, was asked to resign Saturday. The impression is that he and the nurse are not on good terms.

An entrance was forced into the Katy freight office Tuesday night and an attempt was made to blow open the safe and secure money which they thought was kept there.

Wednesday night the safe at the Cross Lumber Co., Moberly was blown open and three copers were secured. A boy saw two fellows, young clean shaven, one wearing a dark suit and the other a linen auto coat trying to force an entrance into the building. These miscreants are doubtless the same who visited the Katy station Tuesday evening.

Irvin Tritch, a brakeman of Moberly was fined \$25 and costs Tuesday at Montgomery City for striking Claude Ball, a lawyer of that city over the head with a lantern as he attempted to board a Wabash train without showing his ticket. Ball is a brother of David Ball, former candidate for governor.

Floyd Williams and Geo. Davis aged 7 and 8 years, gave their parents and friends an unmerciful scare Friday by going swimming in one pond near Higbee and immigrating to another without the formality of moving their clothing from the banks of the first pond. Frantic fathers and mothers rushed to the scene when the rumor came in town that the two boys were missing. The two fathers wading in the pond spied the urchins slipping through the woods and probably did not administer the deserved spankings.

MARRIAGES.

Elbert Icenhower and Miss Elizabeth Manuel, both of Moberly.

Harvey Green of St. Louis and Miss Maud Hardgrove of near Huntsville.

G. R. Peyton of Duncan's Bridge and Miss Bertha Smizer of Paris.

SALINE.

Don, the 5-year-old daughter of Mr. and Mrs. James Reno, died in Slater Wednesday.

Mrs. Sophia Moody of Sparksville, Kan., died Saturday night while on a visit to her brother-in-law, A. Montgomery and family in Slater.

I. S. Parsons, an old citizen of Saline county, died at his home in Miami Friday. He was a prominent man in Saline county, and was elected state auditor on the Democratic ticket in 1876.

An operator from the agricultural farm at Columbia was in Miami Friday and inoculated about 200 head of hogs for Mark Whitaker, J. M. Goodman and John L. Sibley to render them immune from cholera.

The funeral services of Buchanan H. Dye, a railroad engineer who was killed in a wreck were conducted by Eld. W. T. Henson at the Christian church Tuesday morning at 10 o'clock at Slater, and his remains interred in the City cemetery.

Ralph Page, who had been at work on the big amphitheatre at the fair grounds of late, fell from a scaffold to the ground Saturday, a distance of about 30 feet. The injuries the young man received were quite severe. Both of his ankles were sprained and his back injured.

At 1:14 a. m. Sunday morning, July 10 train 2nd 88, east bound, ran into the end of train 4th 86, which was going in the same direction, causing the death of B. H. Dye, engineer of the wrecking derriek at this place, crushing 11 of the cars of 4th 86, wrecking the engine of train 2nd 88 and derailing two of its cars. The wreck occurred about two miles west of Norton and only a short distance from Sulphur Springs, at exactly the same ill-fated spot where, during the same month and on the same day of the month, nine years ago, 25 people lost their lives in a head-on collision between a passenger and freight train. The electrical storm Saturday night put many of the electric block signals out of service and indirectly was the cause of the disaster.—Slater Rustler.

MARRIAGES.

Brooks Hilderbrand of Salisbury and Miss Willie Johnson of Fairville.

James Dickerson, Jr., of Marshall and Miss Belle Petty of Corder, Mo.

It is said that there will not be another total eclipse of the sun for 50 years or so—but several shining lights at Washington will be overshadowed sooner than that.

Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will stop and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only contains digestive ingredients will not cure permanently, as the basis of indigestion is poor bowel circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients. For the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work naturally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburn, Mo., and they both found their cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary relief. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you by return letter and he will send you a free sample of the free sample. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.
